

CTS Test No. 5671: Urine Drug Analysis

List of Possible Sample Analytes

For data submission purposes, CTS is providing the following list of drugs and metabolites that may be contained within the samples for the Urine Drug Analysis test. The screening section of the data entry form includes the contents of the following tables in easy to use drop-down lists for the reporting of drug or metabolite screening results.

Jump to group: Analgesics, Antidepressants, Antihistamines/Cold Treatment, Antipsychotics, Barbiturates, Benzodiazepines, Cannabinoids, CNS Stimulants, Miscellaneous

Drug Category: Analgesics
6-monoacetylmorphine (6-MAM)
Codeine
EDDP
Fentanyl
Norfentanyl
Hydrocodone
Hydromorphone
Meperidine
Methadone
Morphine
Norhydrocodone
Oxycodone
Oxymorphone
Tramadol
O-desmethyltramadol

Drug Category: Antidepressants	
	Amitriptyline
	Chlorophenylpiperazine
	Citalopram
	Clomipramine
	Desipramine
	Doxepin
	Fluoxetine
	Imipramine
	Norfluoxetine
	Nortriptyline
	Norsertraline
	Sertraline

Drug Category: Antihistamines/Cold Treatment	
	Brompheniramine
	Chlorpheniramine
	Cyclobenzaprine
	Diphenhydramine
	Dextromethorphan
	Dextrophan
	Doxylamine
	Hydroxyzine
	Methorphan

Drug Category: Antipsychotics	
	Chlorpromazine
	Clozapine
	Norclozapine
	Norquetiapine
	Olanzapine
	Quetiapine
	Thioridazine
	Ziprasidone

Drug Category: Barbiturates	
	Butalbital
	Phenobarbital
	Secobarbital

Drug Category: Benzodiazepines	
	7-aminoclonazepam
	7-aminoflunitrazepam
	Alpha-hydroxyalprazolam
	Alpha-hydroxymidazolam
	Alprazolam
	Clonazepam
	Diazepam
	Flunitrazepam
	Lorazepam
	Midazolam
	Nordiazepam
	Oxazepam
	Temazepam

Drug Category: Cannabinoids	
	Carboxy-tetrahydrocannabinol (THC-COOH)

Drug Category: CNS Stimulants	
Amphetamine	
Benzoyllecgonine	
Cocaethylene	
Methamphetamine	
Methylecgonine	
Methylenedioxyamphetamine (MDA)	
Methylenedioxymethamphetamine (MDMA)	
Methylphenidate	

Drug Category: Miscellaneous	
Carisoprodol	
Cyclobenzaprine	
Gamma-hydroxy butyrate (GHB)	
Ketamine	
Lysergic acid (LSD)	
Meprobamate	
Norketamine	
Zolpidem carboxylic acid	
Zopiclone
